

Job Posting - May 25, 2018

" We are looking for a candidate with a passion for service, strong communication skills, and a belief that all young people can succeed given the right support."

The AmeriCorps VISTA position is a full-time 12-month paid volunteer assignment based in Compton, CA. The VISTA will work with a dynamic team and contribute to local initiatives to increase awareness of YouthBuild programs. The focus will be on strengthening and supporting the development and resourcing of YouthBuild programs in the furtherance of the YouthBuild movement to benefit underserved communities. The program requires assistance in raising awareness so more young people and programs that serve them will be exposed to the opportunities available.

Activities include, but are not limited to:

- Creating a recruitment strategy for each pathway of the program (construction, culinary, high school diploma, information technology/logistics)
- Building and managing community partnerships to increase program visibility
- Creating a retention plan for each pathway
- Communications/PR development
- Enhancing development databases and systems

Compton YouthBuild is a workforce and leadership development program for young people ages 18 to 24 that live in economically distressed neighborhoods. Young people learn leadership, advocacy and workforce readiness skills, while they earn an accredited high school diploma and industry recognized certifications.

We are a full-time, project-based program focused on social justice and restorative practices that allows young people to develop skills needed to rebuild their communities and their lives.

YouthBuild USA Program: The mission of YouthBuild USA is to break the cycle of poverty by unleashing the intelligence and positive energy of low-income out-of-school young adults to rebuild their communities and their lives. In YouthBuild programs in America's poorest communities, low-income young people ages 16 to 24 enroll full-time
