4th Annual Veterans and People with Disabilities Career Fair, California State University Los Angeles

September 4, 2018

Dear Prospective Employer:

We would like to invite you to table at the **4th Annual Veterans and People with Disabilities Career Fair**, taking place at the beautiful campus of Cal State LA between 9:00 a.m. to 2:00 p.m. on **Friday, October 26, 2018**. This event is a joint collaboration among Cal State LA, U.S. Department of Veterans Affairs Greater Los Angeles Healthcare System, and Long Beach Healthcare System.

There is **no registration fee for employers** to participate. The parking will be free and lunch will be provided between 1:00 p.m. and 1:30 p.m.

In the past, there were about 70 employers with 600 job seekers who were highly qualified for many different professions and from various diverse backgrounds, specifically veterans and individuals with disabilities. There will be an interview room for employers who wish to conduct onsite interviews with ideal candidates. As space is limited, please indicate on your registration form (<https://www.eventbrite.com/e/fourth-annual-veterans-persons-with-disabilities-career-fair-2018-tickets-43504748875>).

Due to limited space this year, please register via Eventbrite, <https://www.eventbrite.com/e/fourth-annual-veterans-persons-with-disabilities-career-fair-2018-tickets-43504748875> as soon as possible and no later than **Sunday, October 14, 2018**. The Planning Committee will review the registration forms and contact you and your company on or before October 19, 2018.

If you have any questions about the event, please email Raymond Peters at rpeters3@calstatela.edu or Dr. Cailine Kim at cailine.kim@va.gov to ensure prompt response. We look forward to seeing you at the **Cal State LA Veterans and People with Disabilities Career Fair!**

Sincerely,

2018 Cal State LA
Career Fair Planning Committee
