Department of Human Resources
Job Description**

Job Title: Career Planner
Department: Program
Reports To: Program Manager
FLSA Status: Non-Exempt
Approved By: Human Resources

JOB DESCRIPTION

Under general supervision of a Program Manager, the Career Planner will provide support and career guidance services for adult and/or youth clients, including diagnostic testing and other comprehensive assessments, information on occupations with clear career paths in high-growth industry sections, development of an individual employment plan, information on eligible training providers and specialized training, Comprehensive AJCC and AJCC partner system navigation, and conduct workshops and other similar basic and individualized career services.

The Career Planner will work with various programs, services, and partners of the agency in an effort to meet outcome goals as set by the City, County, State, and Federal funding agencies. Additionally, this position involves coordinating with partners and sponsors in the development and implementation of marketing/outreach strategies, organizing, and coordinating specialized workshops, business expos, job fairs, and other activities. The Career Planner must be a strong team player with a dedicated work ethic, and will confer with management, supervisors, and staff to identify customer needs and employment opportunities. The Career Planner will be required to interview applicants to obtain work history, education, training, job skills, and salary requirements

DUTIES AND RESPONSIBILITIES

- Have thorough understanding of Workforce Innovation Opportunity Act (WIOA) guidelines/requirements as it pertains to participant eligibility and program operations.
- Create and close job opportunities for qualified participants relative to their educational training and/or previous work experience. Follow-up required.
- Create and maintain Individual Employment Plans (IEP), Individual Training Accounts (ITA), On-the-Job-Training (OJT) employment opportunities, and Work Experience (WEX) opportunities, for our qualified participants relative to their educational training and/or previous work experience. Follow up required.
- Effectively identify participant's employment needs through good judgment and interview techniques.
- Interviews employers/clients to determine needs.
- Provides assistance and guidance relating to the interview process.

- Develops job opportunities for clients and acts as a liaison between the employer and clients.
- Conducts employer outreach as needed.
- Provides referrals to community partner/agencies/resources as necessary.
- Follows labor market trends to identify industries or occupations with growth in openings and employment potential.
- Conduct program presentations to participants, collaborative partner agencies, business contacts and/or other groups as necessary.
- Attend Training and/or Meetings when scheduled.
- Meet performance and outcome goals as set by the City, County, State, and Federal funding agencies.
- Other duties as assigned.

QUALIFICATIONS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. CCD is an equal opportunity employer.
