

**CHERP Locally Grown Power is**

# NOW HIRING

## JOIN OUR TEAM

We are creating a replicable, non-profit, solar panel assembly factory in Pomona, CA that is uniting physicists, economists, City Hall, local businesses, and hundreds of local volunteers, to bring back middle-class manufacturing jobs and cut green-house gasses on a massive scale. CHERP-LGP is a project of the California-based 501(c)(3), Community Home Energy Retrofit Project.

### JOB LISTING: **ASSEMBLY TECHNICIAN & MACHINE OPERATOR**

#### GENERAL REQUIREMENTS

*No solar experience necessary - WILL TRAIN.*  
**LOOKING FOR ENTHUSIASTIC PEOPLE WILLING TO  
LEARN A NEW CAREER.**

**SEND YOUR RESUME AND COVER LETTER TO  
MTHOMAS@MCSCAREERGROUP.COM
