

Synergy Companies has been in business for the last 40 years. We are a contractor company working hand in hand with utility companies throughout the State of California. Synergy is an environmentally-conscious company built upon the principle of **treating people right!**

We are looking for quality candidates to join our team and reach out to as many customers as possible and help them meet their energy conservation needs. We need candidates for the following position:

Outreach Specialists This is a full-time door-to-door position to provide energy-efficiency programs to utility customers at No-Cost. Training is provided to become certified for these programs.

- It offers Hourly pay (\$15.50 ph + compensation for fuel)
- Health insurance
- Week vacation after 1 year of employment
- Company 401k plan participation available after one year of employment
- Paid vacation available after 1 year of employment
- Employee's insurance is covered with option of family coverage to be added at employee's expense

The areas in which we are looking to hire are: Orange County, Los Angeles County, San Gabriel Valley, San Bernardino County, and the Low Desert. Our main office is in Perris, CA. There will be very little need to visit our home office. You will be working in your near proximity areas.

Please visit our website <https://www.synergycompanies.org/careers/> to apply for this position or email me for more information to hannah.espinoza@synergycompanies.org.
