

FROM TRAINING TO EMPLOYMENT OPPORTUNITY

We are excited to offer the opportunity to be part of a 9-week ELECTRIC BUS MANUFACTURING training program.

Proterra is dedicated to the design and manufacturing of zero-emission bus fleets. Their goal is to continue the advancement of electric vehicle technology which enables bus fleet operators to reduce operating costs and deliver clean, quiet transportation to communities.

Program Details:

- Next training cohort begins March 2022
- 9-week course, 2 days per week (Friday & Saturday)
- Enrollment into WIOA for Additional Career Advancement Support
- Upon completion, candidates may qualify for positions starting at \$20 per hour!
- Women, veterans, formerly incarcerated people, former foster youth, and persons of color are encouraged to apply.
